

# MARATHON LHS II + HL & ENDURANCE® TSD

GOODYEAR'S COACH TIRES FOR TOUGHNESS WITH COMFORT  
FOR CHARTER/TOUR/COMMUTER/SHUTTLE APPLICATIONS

## MARATHON LHS II + HL

- **MORE MILES FROM EVERY FILL-UP**  
Fuel Max® Technology reduces rolling resistance for improved fuel consumption
- **A BROAD SET OF BENEFITS**  
Wide tread pattern promotes high mileage, good handling and even wear
- **CUT OUT FOR MORE**  
Rib edge blading promotes even wear and improved wet performance
- **STONES GET STONEWALLED**  
Stone penetration protector system helps prevent stone penetration for improved resistance to damage

## ENDURANCE TSD

- **DELIVERS COST PER MILE**  
Innovative tread compound helps deliver long miles to removal in demanding drive applications
- **A FIRM GRIP**  
Open shoulder tread design meets 3PMSF performance requirements, helping provide traction in all conditions
- **HEFTY REINFORCEMENT**  
Enhanced casing with steel belt package helps offer toughness and performance through multiple retread cycles
- **CONSISTENCY IS KEY**  
Mirrored, non-directional tread design offers footprint uniformity and even wear

\*Meets Three-Peak Mountain Snowflake (3PMSF)  
Traction Requirements.

**GOODYEAR**  
MORE DRIVEN.

WARNING: with respect to the use of all Goodyear bus mileage tires, any use other than as imprinted on the tires is unsafe. Improper use could render the tire unserviceable and could jeopardize the lives and safety of operators and passengers. Goodyear assumes no responsibility for any accident, injury or damage caused by special mileage tire failures due to misuse or the failure to follow proper maintenance and installation procedures.

NOTE: Federal Motor Carrier Safety Administration (FMCSA), Regulatory Guidance for the Federal Motor Carrier Safety Regulations, Part 393.75(d): "No bus shall be operated with regrooved, recapped or retreaded tires on the front wheels." Other requirements apply, including federal and manufacturer standards.
