

FORGED TOUGH

GOODYEAR[®] G686 RETREAD

**GOODYEAR'S ALL-POSITION RETREAD FOR WASTE HAUL
AND MIXED SERVICE APPLICATIONS**

Waste haul and mixed service vehicles put their tires through hazardous conditions every day. That's why it's so important to choose strong retreads that will prepare your fleet for the daily challenge. The Goodyear G686 retread delivers enhanced scrub resistance and traction for off-road operations.

GOODYEAR
MORE DRIVEN.

GOODYEAR'S ALL-POSITION RETREAD FOR WASTE HAUL AND MIXED SERVICE APPLICATIONS
